Audio Visual Request Form
27th International Pump Users Symposium
Due May 16, 2011

Please complete this form for audio visual support for each event you are presenting and include with your final paper.

We need this form to place our order for equipment, whether you will be needing the standard setup or an addition to the standard setup. Please refer to the Audio Visual Support Information document within this packet for a listing of what comprises the standard setup for your particular event. If you have any questions, please contact Heather Rodriguez at 979-862-7112 or heather@turbo-lab.tamu.edu

Please send a completed form for each event you are presenting as confirmation for us.
