Rotordynamics Short Course **\$2500.00**

REQUIRED: A copy of your passport must be submitted to complete your registration. You may fax it to (979) 845-1835 or email it to register@turbo-lab.tamu.edu.

CANCELLATION POLICY

Written registration fee refund requests (by email, fax, or postal mail) must be received in the Turbomachinery Laboratory (TL) Office by midnight on **February 24, 2011**. A \$250.00 administration fee will be deducted from the refund amount. Late cancellations (after the cancellation date) will be reviewed on a case-by-case basis for personal hardships. Refunds may also be extended for acts of nature and national emergencies. The TL does not refund for business decisions by the attendee's employer such as: job reassignment, plant emergencies, etc. However, we encourage substituting another employee so the attendees' company receives the benefit of training. In the event of a "no-show" cancellation, short-course materials will be forwarded to the absent attendee.

The State of Texas does not allow the TL to extend credit to individuals or companies. Therefore, we cannot apply registration fees for a missed course to another subsequent course.

The TL reserves the right to cancel any short course and return all fees in the event of insufficient registration. We reserve the right to cancel due to unforeseen circumstances. The TL will not be responsible for any losses incurred by the registrants, including but not limited to airline cancellation charges or hotel deposits.

Please check box to acknowledge and accept above refund policy. Box must be marked to proceed with registration.

Please indicate any special needs:
