

Mark R. Sandberg is the principal of Sandberg Turbomachinery Consulting, LLC. Before forming this consulting practice in 2016, he was a Consulting Machinery Engineer with Chevron Energy Technology Company in Houston, Texas for more than fifteen years. Prior to joining Chevron, he was employed by ARCO, Petro-Marine Engineering, and The Dow Chemical Company. Mark has more than 45 years of varied experience in the process industries and has been involved with the selection, design, manufacture, testing, installation and operations support of several gas turbine and electric motor driven centrifugal compressor trains worldwide, primarily in upstream oil and gas production and LNG processes. Mr. Sandberg has B.S.M.E. and M.S. (Mechanical Engineering) degrees from the University of Illinois at Urbana-Champaign, is a registered Professional Engineer in the State of Texas, an Emeritus Member of the Texas A&M Turbomachinery Advisory Committee, a member of AIAA and a Life Fellow Member of ASME.
